

HOW TO REGISTER FOR AN ONLINE AUCTION

STEP 1

Pull up the auction you would like to bid on and click the green “REGISTER TO BID” button.

Log into your account or create one.

STEP 2

Once you have logged in with your account, you will have to input your contact information. You can also sign up for outbid notification emails, we highly recommend you do!

STEP 3

Next, confirm the terms and conditions.

STEP 4

You will be asked if you are working with a licensed agent. If you are, and have a signed agreement, please make sure that they also register for the auction as your agent.

STEP 5

After this, you will need to input your credit card information for verification.

The card will be pinged to show us you are a real person; this card is only for verification!

*This will show up differently depending on your account, as pending or as a \$1,000 charge (unless otherwise specified in the terms). No matter how it shows up, it will be placed directly back into your account after verification.

STEP 7

Once your card has been verified, you will be registered for this auction and can begin bidding once the bidding has fully opened.
